Our trophy on wheels is a breath away!

Our Goal is $11,000 Wholesale by Sept. 30! The very first Saturn Aura in Jefferson County, WV!

Congratulations Dream Makers on your amazing success! We are just $11,000 away from completing qualifications for our ***5th trophy on wheels***! ***You*** are critical to our past, present and future success. With just 8 days to go, I am asking that you commit to a wholesale order this week. There are 4 levels at which to play. Our goal is to fill every box with an order. As you can see, just a handful of orders at each level will finish the goal with ease!

What's the best way to make that happen? Whether you service your family and friends or have a solid customer base you can choose a goal and make it happen. Our Christmas products are available right now! Look for a new Look Book and sample in your mail this week or go on line and shop for all your gift giving needs at ***www.marykayintouch.com***. Help your customers stock up on their skincare products and encourage them to get their Christmas shopping done early.

This car is a report card that shows how well we play together! Let's show the Jefferson, Berkeley and Morgan County what we can do!

With Love and Belief in YOU,

Catherine
