

Way to goal!

I was so glad to see you at our Dynamite Success Night! I appreciate you helping out & sharing your Mary Kay Business Excitement with your Sister Consultants. Your fun attitude and example of excellence is really making a difference in our unit!

As you are running toward your GOALS, I encourage you to reach up and out and find three models to bring to our next meeting! Put your heart into it and seek out those that will benefit from being in our Pink Bubble. You can do it!!
