

# **Wild Thing you make my heart sing!**

Wild MK girl, that is! I was so glad to see you at our Dynamite Success Night Thursday night!

I appreciate you sharing your Mary Kay business excitement with your Sister Consultants.

As you are "Breakin' Records" in your personal business, I encourage you to reach up and out and find just one hour to do an "Hour of Power" in booking and sales calls this week! Think of the results! Just do it!
