

Hey girl! In this packet is everything you will need to know for your pampering session!

I want you to be as comfortable as possible and to have as much fun as possible so I have included 4 girlfriend vouchers for any girlfriends or family members you may want to bring with you. I want your friends to feel so special so each of your guests will receive a free gift from me for being one of your guests. I want to spoil you rotten so you get a 20 dollar gift certificate!! You are the lady of the hour! 😊

I have included one of our look books so you can take a look and decide what you might like to spend your gift certificate on. We have some great new products and some really fun limited time products.

The address and directions are included as well but if you have any questions at all don't hesitate to give me a call or email me!

I am so excited to meet you and to get to know you! Thank you so much for letting me pamper you and for helping me out with my goal. I can't wait to see you! We are going to have so much fun!

There will also be an on time drawing for FREE product for all those who are there right when we start! Your hand treatment and lip treatment will be right at the beginning and trust me that is something you don't want to miss! 😊

I included a flier about my amazing hostess promotion I have going on right now, I would feel so bad if I forgot to tell you about it. If you would like to receive that 100 dollar gift certificate all I need from you is a guest list of 15-30 women who are 18 or older that you would like to share your pampering session with! I will send out all of DARLING party invitations and call your guest to find out who is coming and find out their FAVORITE make up products.

I look forward to hearing from you soon!
