Dear Sara,

Thank you so much for your business and support. I consider it a privilege and an honor to service your skin care and beauty needs! Because it has been a year or more since you have made a purchase, I am updating my customer information to reflect your desire to be serviced by me or not. Perhaps you have found another consultant. Maybe your beauty needs have been low on your priority list, and you haven't had the time or resources to treat yourself. Whatever your circumstance, I would love to hear from you-no strings attached. My intention is to serve and keep you informed about the #1 Best-Selling Brand of Skin Care in the United States! I don't want to bug you or provide "junk" mail. However, if you would like to continue receiving the LOOK Book, open house invitations, and other Mary Kay updates, please call my office. I am offering a one time "purchasing special" for you to receive 20% off any order placed in the month of January, Or just simply tell me to keep you on my mailing list. I am happy to do so. However, if I don't hear from you, I will assume you prefer to NOT receive mailings and communications at this time. If something changes, I hope you will think of me, again. If it's just been so long and you just don't know where to start, let's get together for a seasonal skin care and color update! It's complimentary, and we can catch up - personally and professionally. If you would like to have some friends join you for a New Year New You facial then you can enjoy some free product! Your business IS important to me, and I want to do all I can to continue servicing your beauty and gift-giving needs.

Thank you in advance for your prompt response! May God richly bless you and your family!

By the way, if you haven't registered on my personal web site, please do so! Opt in to receive the Enewsletter, too! It's fun and full of beauty tips!

Have a blessed 2009!

Sincerely,
