

The Twelve Days of Christmas

The Twelve Days of Christmas

*The Twelve Days of Christmas,
A tradition for so long.
Is used to show great thankfulness
through gifts and written in a song.
This special Christmas season,
I present these gifts to you.
To thank you for your help and care,
You show the twelve months through.
Please choose a gift, just one each day.
Any gift will do.
Each one is special, not to share,
And chosen just for you.
And as you choose and open gifts,
Christmas will draw near.
But my appreciation of you
will not end there,
It lasts throughout the year.*
