Plus all orders over \$40 will receive a very nice gift! So what do you need to stay gorgeous for the next few months?" You will be blown away by how quickly these orders add up and by the percentage of customers who will order! The last one I did, they got their name on a line for each \$20 they ordered, and in about 4 hours of calling, I had sold \$1300! Not a bad income!!! Note: remind them about birthdays, Christmas gifts, any other special occasions. Know what products they normally order so you can suggest those. Upsell - if they order a lipstick, suggest a coordinating lip liner or the lip primer.
