Booking Dialogue

"Hi Carol! I'm so excited to hear about your engagement! I would love to help you pick out your color look for the big day. While we're at it, you could get your bridesmaids together too and I'll help all of you find a look and give you application tips!"

Party Prep

1. Go to Product Central on Mary Kay InTouch® and click on the All About Color button on the home page.
2. Download and print the documents you would like to have on hand at the party. Suggestions would be Color Shade Charts and application tips.
3. Suggest the bride visit the Virtual Makeover on your Mary Kay® Personal Web Site and try out the bridal feature.
4. To create a special atmosphere at the party, find out what the bride's wedding colors are and decorate your display table with those colors.
